

**COME AND JOIN
US FOR A
SUMMER FULL OF
FUN WITH
CROCODILE DOCK!**

We will be having tons of fun this summer at RHECC with the VBS theme Crocodile Dock! Each week there is a new Bible story theme. To go along with each theme we will be reading stories, singing songs, making art, doing large muscle activities, and cooking . We will also have park days, water days, bike days, and school spirit days. If the summer couldn't be fun enough already, we will also have special visitors coming, jumpers coming, and we will be going on field trips, too! Hope to see you there!
